

9 & 11 Duntroon Street, BRENDALE

Refrigeration & Commercial Manufacturing Equipment Business

Manufacturing/Engineering | Business for Sale | Brendale

Extensive, modern facilities and equipment. Massive further potential - manufacturing incentives will apply.

This long established highly profitable business is well positioned to achieve continuous growth as Australia looks to increase manufacturing. The business was established 45 years ago being one of the largest dealers in new and used commercial catering and supermarket equipment in Australia. Supplying both Coles and Woolworths in custom made refrigeration equipment. In addition the business also has the ability to manufacture and customise refrigeration parts, spare case and shop fitting parts. Plus CNC controlled wire bending machine providing wire forming fabrication for one off parts or multiple thousands of identical products.

2000000
